### MESSAGE FROM THE DIOCESE OF HAMILTON:

His Excellency Bishop Crosby recently announced a planning study, which is now under way, to help the Diocese evaluate the merits of a Diocesan capital campaign. This campaign will involve each of our Parishes. The proposed goals focus centrally on Parish life but will also help enhance several Diocesan ministries important to parishioners. The Diocese wants to hear from as many parishioners as possible as they evaluate their proposed campaign plan. Your feedback will be critical to the success of this effort. Further details of the proposed goals of the campaign and opportunities for you to give feedback will be shared in the coming weeks.

### MARRIAGE TIP 87

Expressing gratitude to those we love goes a long way to making them feel appreciated, but as Michele Weiner-Davis (The Divorce Busting Center) pointed out in her recent blog, negativity bias, which scientists refer to as a tendency to be more sensitive to negative stimuli, often causes relationship problems. This bias makes it easy for us to slip into the habit of remarking on anything that is wrong or negative but forgetting to express the good we experience and feel. We can help overcome this natural bias by being purposeful in our interactions: express appreciation often, say

thank you frequently and remember to tell your spouse what you love about your relationship. Doing a frequent check-up is a sure way to ensure you are more positive than negative, which will be reflected in the positive feelings in your marriage.

### DO YOU HAVE IDEAS ON HOW TO SUPPORT FAMILIES IN OUR DIOCESE? WE WANT TO HEAR FROM YOU!

"The family is the community in which, from childhood, one can learn moral values, begin to honor God, and make good use of freedom. Family life is an initiation into life in society. (CCC #2207)" Home is the setting where an individual's physical, mental, emotional and spiritual growth is supported. Like a garden, a home must be tended, appreciated, nurtured and respected in order to thrive. Families today need more support than ever as they raise the future generation. **Are you willing to add your voice at our gathering this fall to discover ways we can help families?** If yes, call Lena at 905-528-7988 ext. 2249, or e-mail [familyministry@hamiltondiocese.com](mailto:familyministry@hamiltondiocese.com).
