"FATAL FLAWS" FILM SCREENING: THE DANGERS OF MEDICAL 'AID' IN DYING LAW

Are assisted dying laws leading society down a dangerous path? It's time to learn about the issue as it is experienced in lived reality. Local filmmaker and Kevin Dunn has spent the past three years travelling throughout Canada, The Netherlands, Belgium and the USA to learn more about the answer to this important question. **Critics say "FATAL FLAWS" 'is a must-see for every patient, person or medical caregiver** who wants to understand the difference between medical killing and medically-responsible caring. The film is produced by DunnMedia in association with the Euthanasia Prevention Coalition. Join us and learn more on **Monday, June 25 at 7:00 p.m. at SilverCity Hamilton Mountain Cinemas**. DO YOU HAVE IDEAS ON HOW TO SUPPORT FAMILIES IN OUR DIOCESE? WE WANT TO HEAR FROM YOU!

"The family is the community in which, from childhood, one can learn moral values, begin to honor God, and make good use of freedom. Family life is an initiation into life in society. (CCC #2207)" Home is the setting where an individual's physical, mental, emotional and spiritual growth is supported. Like a garden, a home must be tended, appreciated, nurtured and respected in order to thrive. Families today need more support than ever as they raise the future generation. **Are you willing to add your voice at our gathering this fall to discover ways we can help families?** If yes, call Lena at 905-528-7988 ext. 2249, or e-mail familyministry@hamiltondiocese.com.
