MASS INTENTIONS:

We are always encouraged to pray for each other. The Mass is one great and important way of doing this and we seem to be running low on Mass intentions. If you would like a Mass said for the repose of the soul of a loved one or friend, or any other special intention, please place a note along with a \$10 offering and drop it in the collection basket with the donor's name or call the parish office.

FOOD FOR THOUGHT:

"The fullness of grace can transform the human heart and enable it to do something so great as to change the course of human history."

-Pope Francis

WORLD MISSION MONTH:

Next Sunday is World Mission Sunday. Every parish across the globe will celebrate this event. It is a global sign of the Universal Church and mission. On this day, Pope Francis invites all Catholics to contribute to a special collection for the Propagation of the Faith. Your support will help missionaries in proclaiming the Gospel of joy and peace around the world. Please join in this special day that unites Catholics from all over the world through prayer and care for the Church's mission. Your doantions will support churches, hospitals, schools and train seminarians and religious Brothers and Sisters in Asia, Africa, Latin America, Pacific Island and some of our Canadian dioceses.

MARRIAGE TIP 88:

The fall harvest is a result of work undertaken throughout the spring and summer. Watering, nourishing, protecting from insects and the weather all contribute to a healthy yield. Why then do we sometimes forget that relationships too need to be cared for? Do we nourish, protect and nurture our spouses? Care for them gently and speak softly? As St. Francis de Sales said, "The worst way of speaking is to speak too much. Therefore, speak little and well, speak little and gently, speak little and charitably, speak little and amiably." A harvest of love can fill every relationship, but it takes commitment and purposeful work to keep our love strong
