ONE HEART ONE SOUL CAMPAIGN

God bless our campaign and our parish.

If you haven’t already, you should be receiving your *One Heart, One Soul* Campaign packet in the mail soon. If you have any questions once you’ve read the material, feel free to contact Tracey Bailey (?). We ask you to continue to pray for the success of the campaign, and we will be grateful for any gift you can make!

Q. How do you determine the pledge amounts that families are asked to consider?

A. Ask amounts are based on many factors: planning study results, families’ history of parish support, input from church leadership, and the understanding that for this to be successful it will require sacrificial gifts. In other words, if the amount you are asked for is more than you anticipated, it generally means that you have been a generous supporter of you parish and/or the Diocese and is an indication of the challenge we face in reaching our goal. Through this campaign, we are asking everyone to consider supporting their parish and the Diocese in a meaningful and sacrificial way and in a manner that works well for each family. It is not our intention to offend or embarrass anyone. The amount requested is NOT an expectation. It is an invitation to participate in this project at whatever level that is sacrificial and meaningful to you and your family. We will be grateful for any support you offer.

Q. Does a campaign commitment result in tax benefits?

A. Gifts to the campaign are eligible for charitable tax credits that can significantly reduce the amount of tax you pay. The specific tax credit received is based on the amount of your gift and your taxable income. Donors with questions regarding tax benefits should contact their attorney or financial adviser.
