your children that we are called to use our God-given gifts. Ask them to reflect on the gifts they see in themselves and share the gifts you see in them. Help them realize that they are indeed special and have good things to offer to others in their lives.

MARRIAGE TIP OF THE MONTH - Marriage Tip 110

Marriages that have lasted over many years give gifts to future generations since it allows them to both look back and grow forward. Long-lasting marriages are a living example of what it means to have enduring love; they give hope. Marriage is at the heart of family, so celebrate your marriage milestones – tell stories of the good times, the times you persevered and the joy of older love. These are important legacies to leave your children and grandchildren!

YEAR OF ST JOSEPH:

On December 8 2020, Pope Francis declared a “**Year of St. Joseph**” marking the 150th Anniversary of the Proclamation of Saint Joseph as the Patron Saint of the Universal Church. This

year continues until December 8, 2021, the Feast of the Immaculate Conception.

Pope Francis describes St. Joseph as a beloved, tender and loving, obedient, accepting, creatively courageous, working father and ultimately a father in the shadows. All the characteristics show us how Joseph loved Jesus - with a father’s heart. By his loving devotion, he is both a model for Christian living and a visible sign of how God loves each of us.
